

SAFE STORAGE OF EXPLOSIVES

This course provides a fast-paced overview of the safe aboveground storage of explosives. Students are provided with select handouts and a CD-ROM on explosives regulations and usage from the United States Department of Defense (DOD) and the Bureau of Alcohol, Tobacco, and Firearms (ATF). Blasters, contractors, law enforcement officers, fire safety officials, government agents, and anyone aspiring to become an explosives contractor can benefit from this awareness-level course.
