

EMERGENCY RESPONSE AWARENESS OF RADIOLOGICAL TERRORISM

This course provides essential understanding and training of terrorist threats involving radiological agents. Topics include emergency response to ionizing radiation exposure and radioactive contamination through dirty bombs (Radiation Dispersal Device- RDD), nuclear detonations, and nuclear reactions. This counter-terrorism awareness training is critical for all health care officials, medical professionals, emergency responders, firefighters, law enforcement officers, public officials, managers, and professionals.

TOTAL TIME: 4 HOURS
